BIOFACH 2010

Working with nature

Bejo will give you
food for thought at BioFach!

Organic vegetable seeds for professionals

On our stand we show you
our latest organic developments.

Tasty carrot range

Come and sample our best tasting carrot variety Namur F1. Excellent taste, proven over many years: that's our Namur F1.

Mildew resistant onion range

A wide and complete organic assortment for all over the world. Come and see our newly developed downy mildew resistant varieties.

Ahead in organic seed

We are the world leader in hybrid organic seed of cabbage, carrot and onion. We have selected more than 120 varieties for our organic seed production programme, covering virtually all of the crops in which we are breeding.
