REDBOR

BORECOLE

A red borecole with an intense dark red colour. Redbor is suitable as vegetable and also ornamental plant. It has a distinctive leaf which contrasts with standard green types.

Varieties perform differently under different climatic conditions, and are usually only suitable for specific markets. For more elaborate information about this variety in a specific market, visit the assortments on our country websites, via www.bejo.com/countries. Our local crop specialists are happy to give additional tailor-made advise.
