

ALCOSA SAVOY CABBAGE

The first early Savoy suitable for the mini cabbage market. Produces compact, green heads. Alcosa's well-packed, thin, yellow interior leaves quickly fill in, making it a smart choice for closely spaced plantings of mini cabbages. A superb mini, nicely savoyed throughout. Flavor improves with cold weather. early, tolerant to bolting. Compact, firm round heads. For narrow spacing. Vigorous early plant habit with attractive, solid heads.

Varieties perform differently under different climatic conditions, and are usually only suitable for specific markets. For more elaborate information about this variety in a specific market, visit the assortments on our country websites, via www.bejo.com/countries. Our local crop specialists are happy to give additional tailor-made advice.
