

## TRÈS FINE MARAÎCHÈRE - RHODOS

### ENDIVE

Curled type. Very uniform selection with compact, well blanché heads.

Varieties perform differently under different climatic conditions, and are usually only suitable for specific markets. For more elaborate information about this variety in a specific market, visit the assortments on our country websites, via [www.bejo.com/countries](http://www.bejo.com/countries). Our local crop specialists are happy to give additional tailor-made advice.
