

AUTUMN KING 2 - VITA LONGA CARROT

A conical carrot. Vita Longa has a very strong foliage and a good in- and external colour. High yielding. For fresh market, industry and storage.

Varieties perform differently under different climatic conditions, and are usually only suitable for specific markets. For more elaborate information about this variety in a specific market, visit the assortments on our country websites, via www.bejo.com/countries. Our local crop specialists are happy to give additional tailor-made advice.
