

## REACTION

### WHITE CABBAGE

Productive and uniform at closer spacing for smaller heads. Performs well as a storage mini cabbage. Healthy round kilo cabbage with long-term storage potential. Reaction has been a consistent performer in trials over the past few years. Our earliest long-term, storage, small white cabbage. Approximately 130 days from transplant to maturity.

Growing Days Planting INT :	135
Plants per Ha INT (x 1.000) :	45-60
Weight Kg INT :	0,8-2,0

Varieties perform differently under different climatic conditions, and are usually only suitable for specific markets. For more elaborate information about this variety in a specific market, visit the assortments on our country websites, via [www.bejo.com/countries](http://www.bejo.com/countries). Our local crop specialists are happy to give additional tailor-made advise.
