

## CONQUEROR

### WHITE CABBAGE

Early fresh market cabbage. More productive than Farao, earlier maturity than Gazelle/Checkmate. Nicely round heads, nice fresh look.

Varieties perform differently under different climatic conditions, and are usually only suitable for specific markets. For more elaborate information about this variety in a specific market, visit the assortments on our country websites, via [www.bejo.com/countries](http://www.bejo.com/countries). Our local crop specialists are happy to give additional tailor-made advise.
